

MG Aces Shooting Team Trailer Policy

Trailer will be placed in various locations for visibility and advertising. It will have club property in it and will be locked up on doors and hitch.

The shells, if any are taken, will be signed for by person pulling it and proper record of disposal to be turned in at return of trailer. Otherwise all shells signed out will be charged to the one who signed for them.

Trailer pickup can be at beginning of event, or the night before if needed for travel purposes and return on night of event finish or day after if needed for travel.

Pick up person will provide copy of insurance card for club file and understands that the club is in No way liable for any enhancements, wiring, hitches or modifications needed or for reimbursement thereof . If they pull the trailer it is of their own choice as we would like to have it at our shoots and events.

Club will purchase padlock, several keys, locking hitch.

Trailer will be used exclusively for club activities and not for any club members' personal use.
